

One Camera IR Mini Vandal Color Dome. For Many Applications

Attractive

Tough

Inconspicuous

Versatile

Don't let that nice-looking exterior fool you. SECO-LARM's IR Mini Vandal Color Dome Camera with 21 LEDs for up to 50ft range is tough, with a heavy-duty steel case, a shatter-resistant dome, and an O-ring to seal out the roughest weather.

All that toughness comes together in an attractive yet inconspicuous package that is versatile enough for almost any CCTV installation, whether it's at the office, in a warehouse, in an institution, or even in the most demanding homeowner's home.

Whether your customers are looking for a tough CCTV camera that looks great, or an attractive CCTV camera that fits in the roughest environments, they'll find it with SECO-LARM's IR Mini Vandal Color Dome Camera.
