

USB Over Cat5e/6

DE-S101Q 150' (46m) Range, Passive

The DE-S101Q can extend the range of USB devices much farther than a standard USB cable.

Features:

- ▶ USB 1.1 Compliant.
- ▶ Easily control a DVR remotely without accessing a network or the internet.
- ▶ Passive: no power required.
- ▶ Long range: transmits a USB signal up to 150' (46m), even further with low-power devices.
- ▶ Small size: 2 1/2" x 1 7/16" x 7/8" (64 x 37 x 22 mm) excluding the 9" (230mm) USB pigtail.
- ▶ Use with:
 - ✓ Keyboard
 - ✓ Mouse
 - ✓ Printer
 - ✓ PC speakers
 - ✓ Scanner
 - ✓ Digital or network cameras
 - ✓ Virtually any USB 1.1 complaint device
