

Please note: the SECOPAGE 35 series has been replaced with the upgraded E-37 series of pagers.

## Alarm Paging System

**SECOPAGE 35EV** - with vibrating & alphanumeric receiver

### Features:

- ▶ Monitors up to 2 zones per premises or vehicle, plus manual paging.
- ▶ Manual paging button included.
- ▶ Connect to nearly any type of burglar alarm control panel, vehicle alarm, communications panel, etc.
- ▶ Miniature size. Easily concealed anywhere inside car or customer premises.
- ▶ Positive and negative instant input triggers.
- ▶ Range up to 1 mile (4W output). Actual range may vary, depending on environment, installation, and/or antenna.
- ▶ Over 1 million possible coding combinations.
- ▶ Connect to a CB antenna, car AM radio antenna (cable included), or optional external antenna (E-35ANT-A).
- ▶ Automatic power antenna control.
- ▶ Immunity circuit to eliminate false alarms.
- ▶ Belt-clip receiver (Model E-35RV) (Included)
- ▶ Code learning receiver learns up to 3 transmitters.
- ▶ Alphanumeric display indicates which zone (1 or 2, or manual) of which premises or vehicle (A, B, C) was triggered.
- ▶ EEPROM design stores codes up to 1 year without power.
- ▶ Stores the last 6 pages for easy recall.
- ▶ Unattended page indicator.
- ▶ Low battery indicator (2 AAA batteries not included).

### Optional Accessories:

**E-35ANT-A** Antenna plugs into the back of the transmitters for use where no existing AM or CB antenna is available, or where there is concern that an existing antenna might be vandalized.

**E-35RV** Vibrating and alphanumeric receiver. Included with the E-35EV for the SECOPAGE 35EV.

### Technical Specifications:

| Transmitter  | SECOPAGE 35EV                             |
|--|---|
| Size   | 3-15/16" x 3" x 1-1/16"                   |
| Weight   | 4.3 oz                                    |
| Hardwired trigger zones                              | 2 instant triggers: 1 each (+) & (-)      |
| Minimum trigger time                                 | 1 sec.                                    |
| Manual page signal                                   | 1 (via pushbutton)                        |
| Receiver (Model #)                                   | <b>E-35RV</b>                             |
| Size   | 3-15/16" x 2-1/8" x 1-1/16"               |
| Weight   | 1.9 oz                                    |
| Indicator (LED Display)                              | Alphanumeric and vibrating                |
| Features   |   |
| Alarm trigger or manual page, zone indicator display | Alphanumeric (1-2, or 7 for manual page)  |
| Alarm page, car/premises indicator display           | Alphanumeric (A, B, or C)                 |
| Low battery indicator                                | 2 beeps every 5 minutes, and displays "L" |
| Power Antenna / Siren Output                         | Yes                                       |
