## **SECO-LARM Introduces Six New Models of Top-Selling Camera**

IRVINE, CALIF., June 23, 2009 - SECO-LARM is now shipping six new models of the popular Ball-Mount Heavy-Duty Camera. The complete line of cameras now features white or dark gray case color, 3.6mm fixed or 4~9 mm varifocal lens, and 540 TV (EV-2706N Series) lines or 420 TV lines (EV-122C-DV Series).

All eight cameras feature a weatherproof and vandal-resistant case design, with the cables concealed in the mounting bracket for performance in harsh conditions. For low-light applications, 24 or 36 IR LEDs, a split-glass design, and a low lux rating (0.05lux IRs off) provide outstanding nighttime protection.

Other features include a 1/3" Sony Super HAD CCD, 360° triple-axis rotation for unlimited mounting angles, low-current consumption, and automatic backlight compensation.
