## **SECO-LARM Introduces a New Line of Request-to-Exit Plates with Pneumatic Timers**

IRVINE, CALIF., August 16, 2011. SECO-LARM now has available for immediate shipment a new line of Request-to-Exit Plates with Pneumatic Timers.

Each unit is equipped with a pneumatic timer -- no power is required to operate it. Because of their completely passive operation, these plates are excellent for installations where supplying additional timer power is inconvenient. The timers are MET recognized, made from reliable American-made pneumatic components, and are adjustable from 1 to 60 seconds.
