SECO-LARM Introduces the New VI-B1003-SBQ Weatherproof IR Illuminator

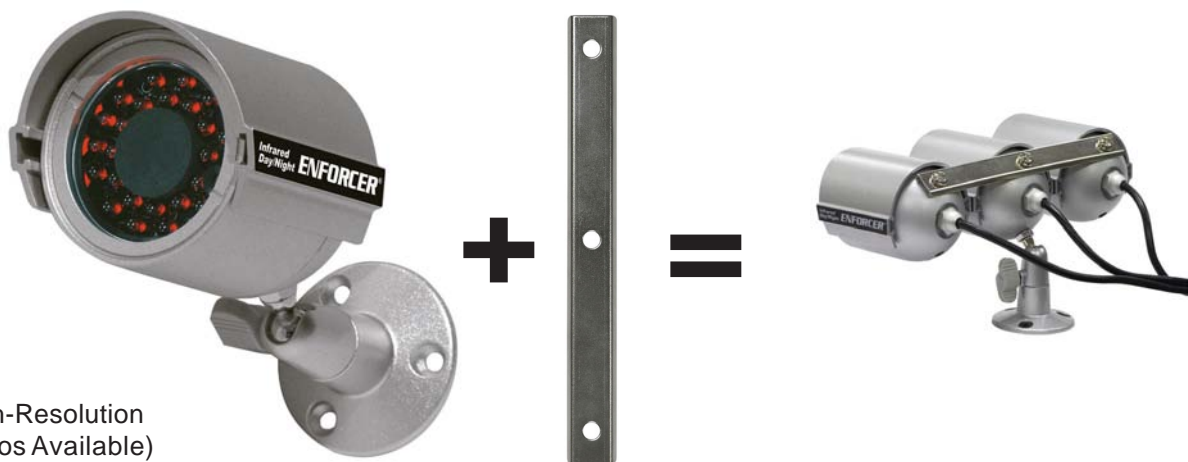

IRVINE, CALIF., October 24, 2007 - SECO-LARM is now shipping of the new VI-B1003-SBQ Weatherproof IR Illuminator with 24-LEDs and up to an 80-foot range. The case is constructed from rugged die-cast aluminum, with a unique weatherproof (IP67) design and a sunscreen for indoor or outdoor use.

Using the same case design as the EV-1323C12DW IR camera series, the VI-B1003-SBQ allows for easy and attractive side-by-side mounting with SECO-LARM cameras. When the VB-CF1Q mounting bracket is used you can easily and attractively mount together one camera with one or two illuminators (see attached photo) so they work to brighten up the protected area.

Additional outstanding features include:

- 24 LEDs
- 80-foot IR range.
- Weatherproof IP67
- Design matches SECO-LARM IR Cameras for easily connecting one or two illuminators with the camera.
- Low current drain
- Small size
- Optional mounting bracket (Model # VB-CF1Q)

The VI-B1003-SBQ and VB-CF1Q are currently in stock and ready to ship.

(High-Resolution
Photos Available)

The new Weatherproof IR Illuminator is just one of SECO-LARM's wide selection of alarms and accessories for the security and electronics industries. For more information about this product or any of SECO-LARM's full line of residential and commercial security systems and accessories, or to request our latest catalog, please contact the SECO-LARM Sales Department (949) 261-2999 (California), fax (949) 261-7326 or (800) 662-0800, or visit us on the Web at www.seco-larm.com.
