Now Available: SECO-LARM's Vandal-Resistant Color Dome Camera

Provides attractive, unobtrusive protection in almost any environment for any indoor or outdoor installation.

IRVINE, CALIF., February 11, 2005 - SECO-LARM U.S.A, Inc. now has available the EV-1233CVW vandal-resistant varifocal dome CCTV camera for use in a wide range of environmental conditions. This camera is protected against attack by a tough, weatherproof (IP67), all-metal enclosure and a high-impact smoked plastic dome (weight 5lbs, 4oz.). Features include a Sony 1/3" Super HAD CCD chip with 470 TV lines of resolution and low 0.4lux minimum illumination with signal-to-noise (S/N) ration greater than 48dB. Also incorporated is a digital signal processor (DSP) for superior picture quality, built-in 4-9mm Varifocal-type DC-drive auto iris lens, Auto Electronic Shutter (AES), Auto Gain Control (AGC), Back Light Compensation, flickerless mode, and Auto White Balance. Power the camera with either 24VAC or 12VDC.

The new vandal-resistant dome CCTV camera is currently shipping to authorized SECO-LARM distributors and dealers.

The EV-1233CVW dome camera is just a one of SECO-LARM's wide selection of security equipment and accessories for the security and electronics industries. For more information about the vandal-resistant dome camera, or on SECO-LARM's complete lines of video security systems and accessories, or to request our latest catalog, please contact:

SECO-LARM U.S.A., Inc., 16842 Millikan Ave., Irvine, CA, 92606
