SECO-LARM Introduces the PS-D1610-PUQ 12VDC 9-Amp Continuous CCTV Power Supply

IRVINE, CALIF., May 5, 2010 - SECO-LARM is now shipping the PS-D1610-PUQ 12 VDC 9-Amp Continuous CCTV Power Supply.

The High-Amp CCTV Power Supply's output voltage can be adjusted via potentiometer to compensate for voltage drop (12.6~14VDC). It comes equipped with PTC fuses, with each output individually fused. Output fuses are rated at 3A@250VAC, each with a red LED to indicate the output's status.

The PS-D1610-PUQ incorporates a unique built-in battery charger to automatically switch to a backup battery in the event of a power loss. The unit is enclosed in well-ventilated heavy-duty steel housing with a removable steel cover for easy access.
