Bluetooth® Post-Mount Keypad with Proximity Reader

SK-B941-PQ
with unique hinged design

Integrated Bluetooth® wireless technology in an IP65 weatherproof, rugged, post-mount enclosure with unique hinged faceplate for easy access to the terminal block for localized access and setup without the risks of an internet connection. All data is secured on the device so there is no cloud to maintain, no registration, and no subscription fees. An intuitive app designed for easy, visual programming means no codes to remember and convenience and security for user and administrator.
