

OUT OF SIGHT. UNDER CONTROL.

Discreet under-desk door release switch,
completely hidden from the public view.

The ENFORCER Under-Desk Door Release Switch offers a discreet and reliable way to unlock secured doors from beneath a desk or counter. Configurable for either N.O. or N.C. operation.

- Momentary operation (spring loaded)
- High-impact ABS case, stainless steel cover
- The large green button is easy to find and press discreetly
- Green Button is easily replaced with a red button (included)
